Infantrymen [3] - 20pts	Qua 5+ Def 5+	3x Hand Weapons (A1)	<u>Hold the Line</u>

Special Rules

- AP:** Targets get -X to Defense rolls when blocking hits.
- Fast:** Moves +2" when using Advance, and +4" when using Rush/Charge.
- Hero:** Friendly units within 12" may take morale tests using the hero's Quality, as long as the hero isn't Shaken.
- Hold the Line:** Units where all models have this rule get +1 to morale test rolls.
- Impact:** Roll X dice when attacking after charging, unless fatigued. For each 2+ the target takes one hit.
- Musician:** This model and up to 3 friendly units picked before the start of the game moves +1" when using move actions. If this model is killed, picked models that are deployed lose the rule.

- Regeneration:** When a unit where all models have this rule takes wounds, roll one die for each. On a 5+ it is ignored.
- Regeneration Aura:** This model and up to 3 friendly units picked before the start of the game get Regeneration. If this model is killed, picked models that are deployed lose the rule.
- Scout:** May be set aside before deployment. After all other units are deployed, may be deployed anywhere fully within 12" of their deployment zone. Players alternate in placing Scout units, starting with the player that activates next.
- Stealth:** When units where all models have this rule are shot from over 9" away, enemy units get -1 to hit rolls.
- Tough:** This model only rolls to check wound effects once it has taken at least X wounds, and is only Knocked Out on rolls of 5+X or more.

Campaign Traits

- Tactician:** Friendly units that activate within 6" of the Hero get +1 to hit when shooting.
